DETAILED ACTION

Allowable Subject Matter

1. Claims 1-19 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art made of record does not teach a method/apparatus for reducing torque ripple and noise of a brushless DC motor comprising a means for determining a control frequency, means for multiplying the control frequency by a predetermined coefficient, means for producing a modified command profile, means for synchronizing the modified command profile with an existing current command and a rotor position, and a means for generating a modulated current command for said motor.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rina I Duda whose telephone number is 571-272-2062.
